POLICIES & PROCEDURES:

As the guardian/owner of the pet, I understand that 4 PAWS Community Center, its owners, employees, officers, directors and agents (collectively referred to as "4 PAWS") will exercise due care to protect the health and safety of my pet while in their care, and in the event my pet becomes ill or sustains injury, I have given permission for those in charge to take whatever steps are necessary to obtain medical treatment for my pet, and I agree to pay all charges incurred. I consent to any veterinarian being retained to render care for my pet.

I assume all risk of injury to my pet while at 4 PAWS Community Center or in transportation to any veterinarian clinic, so long as reasonable care is taken to prevent any unnecessary injury, death, or loss. Also, if I ask for more than one pet to be placed in the same condo for boarding, I assume liability for any injuries they cause to each other.

By entering my pet in 4 PAWS Community Center facility, I agree not to file any legal charges, demands, or claims against 4 PAWS Community Center and/or its owners, employees, officers, directors and agents for any injury, death or loss of my pet. I hereby waive and release 4 PAWS Community Center and/or 4 PAWS from any and all liability of any nature for any injury, death or loss of my pet resulting from their actions or from the action of my pet or any other pet while in the custody of, or on the grounds or surrounding area of 4 PAWS Community Center. If a life threatening injury or death occurs, 4 PAWS will notify me immediately to receive specific instructions on how to proceed or to advise me that my pet is being taken to its veterinarian on file.

In the event my pet causes injury to another pet or to a person while at 4 PAWS Community Center, I agree to indemnify and subrogate 4 PAWS Community Center and 4 PAWS from any action which may be brought against them, and for any defense, settlement, or judgment against them.
