As the guardian/owner, I agree to conform to and be bound by the 4 PAWS Community Center policies and procedures as they may be amended. In the event of failure by me or my pet to conform with such rules, I understand that my pet may be denied access to 4 PAWS Community Center. I have reviewed and understand the current policies and procedures attached to this application.

Guardian's/Owner's Name (Print) Guardian's/Owner's Signature Date

☺ **Thank you for filling out this lengthy form. This information will help the staff at 4 Paws Community Center to make sure your dog feels at home when they are in our care.**

POLICIES & PROCEDURES: As the guardian/owner of the pet, I understand that 4 PAWS Community Center, its owners, employees, officers, directors and agents (collectively referred to as “4 PAWS”) will exercise due care to protect the health and safety of my dog while in their care, and in the event my dog becomes ill or sustains injury, I have given permission for those in charge to take whatever steps are necessary to obtain medical treatment for my dog, and I agree to pay all charges incurred. I consent to any veterinarian being retained to render care for my dog.

I understand that the concept of dog daycare and overnight care is to allow for dogs to be socialized by interacting with people and dogs. As always, with the interaction of dogs, there is a chance of injury. I assume all risk of injury to my dog while at 4 PAWS Community Center or in transportation to any veterinarian clinic, so long as reasonable care is taken to prevent any unnecessary injury, death, or loss. Also, if I ask for more than one dog to be placed in the same condo for boarding, I assume liability for any injuries they cause to each other.

I also understand that although 4 Paws Community Center requires that all dogs attending are healthy and up-to-date on vaccinations, some contagious illnesses may not show symptoms that can be detected by the pet owners or 4 Paws Community Center staff. Since Dogs are intermingling, there is a chance that your dog may contract a contagious condition such as canine cough (canine influenza), puppy warts, or an intestinal parasite.

By entering my dog in 4 PAWS Community Center facility, I agree not to file any legal charges, demands, or claims against 4 PAWS Community Center and/or its owners, employees, officers, directors and agents for any injury, death or loss of my dog. I hereby waive and release 4 PAWS Community Center and/or 4 PAWS from any and all liability of any nature for any injury, death or loss of my dog resulting from their actions or from the action of my dog or any other dog while in the custody of, or on the grounds or surrounding area of 4 PAWS Community Center. If a life threatening injury or death occurs, 4 PAWS will notify me immediately to receive specific instructions on how to proceed or to advise me that my dog is being taken to its veterinarian on file.

In the event my dog causes injury to another dog or to a person while at 4 PAWS Community Center, I agree to indemnify and subrogate 4 PAWS Community Center and 4 PAWS from any action which may be brought against them, and for any defense, settlement, or judgment against them. I will assume all liability for the actions of my dog and agree to maintain personal liability insurance to cover me in the event of such an incident.

ENTRANCE REQUIRMENTS FOR DOGS

- Must be 4 months of age or older.
- Must be spayed or neutered if over 6 months of age.
- Must be current on Rabies, Distemper and Bordetella vaccinations and have had a negative fecal exam in the past year. Owner/Guardian must submit written proof of all vaccinations. (Note: Bordatella vaccine requires two boosters annually and most veterinarians only administer this only when specifically requested)
- Owner/Guardian must have owned the dog(s) a minimum of 30 days.
- Must be in good health and flea/tick free. Owners must certify that their dog(s) has not been ill with a communicable condition in the past 30 days.
- Must be non-aggressive and not toy or food protective. Owners must certify that their dog(s) have not harmed or shown aggressive or threatening behavior towards any person or any other dog(s). Please remember that your pet will be spending time with other pets and the safety and health of all animals is our primary concern.
- Must have completed the application form, and provided copies of your vaccination records to 4 Paws Community Center. We must have all of this information prior to your scheduled reservation
- Must complete the Behavioral Assessment. This is free of charge and may be done during your dog's first visit
- We ask that the first 3 visits occur within the first two weeks. This will allow your dog to become familiar with the Daycare facility, the other dogs, and the staff. It will make the adjustment to Daycare much easier and less stressful on your dog.

**** DAYS AND HOURS** – Our business hours are from 6:30 AM to 7:00 PM Monday through Friday for our daycare and overnight guests. Holiday and Weekend hours are by appointment only. Appointments are preferred between 9:00 AM and 11:00 AM or between 4:00 PM and 6:00 PM.

**** WEEKEND DAYCARE** – Daycare is now available on the weekends by appointment only. Your dog must be dropped off and picked up at your designated appointment time. Please call for an appointment Monday through Friday prior to the weekend that you'd like to drop off for daycare. Weekend daycare will be charged for a full day regardless of the length of the stay (half day rates are not available on the weekend)

****PAYMENT** – Owner agrees to pay the rate for pet care services in effect on the date that the pet is checked into 4 Paws Community Center. For new customers, we accept cash, VISA, MasterCard, and Discover. Existing loyal customers may also pay by personal check. A fee of \$25 will be applied to returned checks

****DAYCARE PACKAGES** – Packages may be purchased for full days or half days. Full day packages cannot be used for half days. Full day packages must be used for full days of daycare only. Half days may be purchased separately or via a half day package. Boarding packages are also available.

LATE FEES - For day care, your dog will be boarded overnight if you are more than 15 minutes late. There is a dollar per minute late charge up to \$15. You will also be charged the overnight boarding fee in addition to the daycare fee. For overnight boarding late pick-up, if you do not call 24 hours ahead to alert us that you will not be picking up your dog on the scheduled day, you will be charged double the boarding fee for each night after your scheduled date of departure.

RESERVATIONS – We ask that you make reservations so that we may assign our play groups in advance. Space is limited, so please make your reservations at least 48 hours in advance. We honor reservations on a first-come-first-serve basis. We will try our best to accommodate, but please make your reservations early, especially during peak holiday seasons. A \$75 deposit is required for new customer booking a holiday stay.

CANCELLATION POLICY - We ask for you to cancel 48 hours in advance of your day care or overnight reservation. Day Care members are charged the normal rate for a no-show and overnight guests are charged a minimum of a two-night cancellation fee. 72 hours notice is required to cancel a holiday boarding reservation without a financial penalty.

AGGRESSIVE DOGS - We do not accept aggressive dogs. Our interview process screens for aggression. If an accepted dog exhibits unacceptable behavior, the dog is given a timeout and the owner is informed of the incident. We will then work with the owner to resolve the situation or the dog will be asked not to return to day care or overnight boarding.

MEMBERS FAILING THE INTERVIEW PROCESS OR EVICTION FROM THE COMMUNITY CENTER - This can happen but it's not the end of the world. We do what is best for all of our guests. If your dog fails the interview, it doesn't mean we do not love your dog. This unique environment may just be too overwhelming. Some dogs just need a little training and socialization before coming to the community center. Typical reasons that dogs may fail the interview are as follows: Aggressive Behavior, Extreme Anxiety, Excessive Mounting, Severe Medical Problems, Biting Staff, Biting Other Dogs, Food or Toy Protective, Not a Good Fit

FOOD & TREATS - If your dog is scheduled for daycare, and you wish for your dog to have lunch, bring your own container or baggie with their name on it. Dogs are not given anything you don't bring. Most dogs do fine without lunch but it is your choice. There is no food allowed in the play area so all dogs who are eating are separated and placed in a private room. We also recommend that the owners provide food for dogs staying overnight, as this is easier on the pet's system to have the food products that they are accustomed to. If owners do not provide their own food, 4 PAWS will provide them with the brand that they use.

COLLAR AND LEASH - All dogs must have a quick release collar with a tag with your current contact information, as well as the pet's name. On occasion we will remove your dog's collar when entering the play area to prevent collars getting caught up during play. All of your pet's items will be placed in a bin with your dog's name on it. All dogs must enter and exit the Community Center on a standard leash (retractable leashes or flea and tick collars are not permitted).

VALUABLE AND PERSONAL PROPERTY – 4 PAWS Community Center and 4 PAWS are not liable to you for your personal property if damaged, lost, or stolen while on or around 4 PAWS Community Center's premises. If your dog causes any damage to 4 PAWS Community Center facilities or equipment, you as the owner are liable to 4 PAWS for the full cost of repair or replacement.

FINANCIAL POLICIES - Fees for Services & Products: The owner agrees to pay for day care and boarding fees, services or products with the credit cards listed on the front of this application or by cash or check. By listing your credit cards on the front of this application you are allowing 4 PAWS Community Center to debit your credit card account for services, fees or products. You agree to pay an administrative fee for any returned check, or debit problems, such as non-sufficient funds, closed account, frozen or declined credit or similar circumstances.

REFUNDS: Please review the 4 PAWS community center's refund policy available at the front desk.

For use, reuse, and/or publishing and republishing of in any media and for any uses, including, but not by way of limitation, illustration, promoting, advertising and trade, and to use my dogs name in connection therewith.
